We Need Your Help!

At the end of April, we will have a Ministries Fair here in the Social Hall. Each ministry will have a display explaining their role in the parish, and will sign up new members for the ministry.

The Altar Servers will have a meeting on Saturday, April 7th at 10 a.m., in the conference room, to begin making our display. Please call me if you can be there. The parish will provide some of the materials, and I will ask if you can help --- with construction paper, markers, etc.

Hope to see you there!
